

## COPEES IN OCTOBER

COPEES is there for any woman in our area who has been diagnosed with a gynaecological cancer, wherever we are on that journey. It offers informal support, fun, friendship, a dedicated (closed) Facebook page for info, chat and a private messaging facility, a website [www.copescharity.co.uk](http://www.copescharity.co.uk) and a twitter feed (COPEES19952978). To quote a few of our members: "Where would I be without COPEES?"; "A huge supportive cushion of love"; "Thank goodness for Facebook, we can keep in touch"; "I couldn't cope without COPEES"; "It's great to find someone who totally understands".

Well done to all the artists, including some younger COPEES, Amelia, Ayva, Darcy, Ella, Emily, Lewis, Rose and William, who enjoyed painting their pottery at the afternoon tea and pottery painting session a couple of weeks ago. Maybe some more Christmas pressies sorted? All the participants, including family and friends had a really enjoyable afternoon.

Many thanks to Nicola at Clay Cottage and to Sue Soper for arranging this event.

We want to do what you want to do!
